

## Experience Matters!

*// Like your family, I live in Bakersfield with the promise of the American Dream. Through hard work and faith in God, my wife Jackie, son Oliver, and I have built a good life for ourselves. //*

*// I ask for your vote for Supervisor to continue to strengthen Kern County—agriculture, energy, and aerospace have allowed us to feed, fuel, and defend our nation, no small feat for a county this size. //*

**—Jeff Flores for Supervisor**

# Our future is at risk from politics, not common sense.

Sacramento **shuts down** energy industry, **shortchanges** water for farms, and **releases** violent felons—meanwhile we suffer the **highest inflation** in decades, with no let up in trash and homelessness. *Our quality of life could be diminished.*

“As Chief of Staff to Supervisor Mike Maggard, I understand the importance of public safety and will focus on solutions, not excuses.”

“We called Jeff at the supervisor’s office. He came with county workers and now you see the difference. It just took one call!”

– **Ruben Rosales**  
Owner, “Happy Jack’s”

“My goal as your supervisor is to make Kern County a safer place for you and your family to live, work, and prosper.”
